Renowned Leadership Educator Dr Patricia Murugami, is the Founder and CEO of Breakthrough Leadership Transformation (BLT). A pan-African leadership brand that has over the past two decades reshaped executive leadership globally.

She is the founder of Rise School – the first-of-its-kind digital leadership school. She is the host of the award-winning podcast – *Your Next Best Self* podcast with Dr Patricia Murugami and is the author of 3 books and 2 journals:

- *RISE: The 4-Way Manifesto For Life & Legacy*
- *PAUSE: Musings on Life, Love, Leadership & Legacy*
- *RE-INVENT: 6 Pillars to Disrupt Your Life*
- *Daring 2022 journal & The Re-inventing 2023 journal*

Through BLT, she is developing leaders across Africa, for Africa and the world. She continues to lend her expertise to Fortune 500 companies, high-impact corporations, and middle-sized enterprises in areas of self, team & organizational leadership.

Dr Patricia Murugami's contributions to multiple sectors are too many to mention. But what is evident is the indelible footprint left at various high-ranking institutions including top global consulting & audit firms and Strathmore Business School (SBS), where she was an Advisor to the Dean and Vice Dean, Executive Talent Development on matters of leadership, notably Women in Leadership & Business and Governance. She has served on multiple boards & is currently the Chair of Clean Start Solutions.

Dr Patricia holds a Doctorate in Business Administration *Transformational Leadership & Governance* from International School of Management (ism.edu), in Paris.

She has trained thousands of professionals of different cadre with the belief that a leader starts by leading themselves first with or without title. Her experience in leadership development began at Bamburi Cement she was Regional Business Controller & in charge of Business continuity & change management. She continued developing leaders across Africa at SBS for a decade. She is now reshaping leadership in Africa & beyond through BLT & Rise School.
